5. COMMUNITY REVENUE GRANT – LOWER WINDRUSH VALLEY PROJECT

The report of the Community Planning Manager recommending approval of a Community Revenue Grant to the Lower Windrush Valley Project was received and considered. The report summarised the key criteria against which the application had been assessed and recommended for approval by the Grants Panel.

The application had been made to provide part of the resource for a small project to improve a 300 metre section of the Windrush Path from Standlake to Newbridge, part of the Standlake Mosaic Trail and a key link between the village of Standlake, the Thames Path and public houses at Newbridge.

The funding sought from the District Council represented part of an assembly of funding totalling £6,055.86 drawn from a wide range of sources.
