COMMITTEE WORK PROGRAMME 2015/2016

REPORT OF THE STRATEGIC DIRECTOR

(Contact: Christine Gore, Tel: (01285) 623605)

(The decisions on this matter will be resolutions)

1. PURPOSE

To provide the Committee with an update on the Work Programme for 2015/2016.

2. RECOMMENDATIONS

That the Committee notes the progress with regard to the Work Programme for 2015/2016.

3. BACKGROUND

- 3.1. At the meeting of the Committee in June 2015 initial consideration was given to the Work Programme for the year having regard to the approach to scrutiny work adopted by Council, the intention of which was that work programmes should comprise fewer more strategic issues. These would probably be key policy areas either reviewing implemented policies or input to future policy development which the Committee would investigate over several meetings with the aim of adding value.
- 3.2. At that time it was agreed to adopt a “toolkit” approach in deciding whether a major review or Working Party should be implemented. This would initially be completed by the relevant Chairman, Vice Chairman and Strategic Director so as to ensure that all suggested reviews would be subject to a series of criteria before they could proceed.
- 3.3. It is not intended that the ‘toolkit’ be used for small reviews requiring only a brief report. There will still be the opportunity to bring forward one-off reports/papers on particular issues of interest to the Committee outside of the normal Work Programme but it will also be necessary to maintain a general overview of the ways in which external agencies are responding to community concerns including when necessary inviting representatives to attend meetings of the Committee. The inclusion of a standing agenda item for Members questions also provides the opportunity for Members to raise ‘hot topics’.
- 3.4. The Committee is invited to consider progress in respect of the agreed Work Programme for 2015/2016 which is attached as an Appendix to this report.

4. ALTERNATIVES/OPTIONS

In accordance with the Constitution of the Council, Committee has the power to investigate any matters it considers relevant to its work area, and to make recommendations to the Council, the Executive or any other Committee or Sub-Committee of the Council as it sees fit.

5. FINANCIAL IMPLICATIONS

There are no financial implications arising directly from this report.

6. REASONS

To enable the Committee to review its Work Programme.
