That the Committee notes the progress with regard to the Work Programme for 2018/2019.

3. BACKGROUND

3.1. At its meeting on 6 June 2018 the Committee gave consideration to the development of its Work Programme for the year 2018/2019 having regard to the changes to the approach to scrutiny work adopted by Council on 22 October 2008.

3.2. Attached in the [Appendix](#) is the approved Work Programme for 2018/2019 incorporating items rolled forward from last year, taking account of the discussions at the last meeting and providing an update on progress in relation to each item.

3.3. In addition to the items contained in the Work Programme there will still be the opportunity to bring forward one-off reports and papers on particular issues of interest to the Committee but it will also be necessary to maintain a general overview of the ways in which external agencies are responding to community concerns. The inclusion of a standing agenda item for Members' questions also provides the opportunity to raise relevant issues.

4. ALTERNATIVES/OPTIONS

In accordance with the Constitution of the Council, Committee has the power to investigate any matters it considers relevant to its work area, and to make recommendations to the Council, the Executive or any other Committee or Sub-Committee of the Council as it sees fit.
