**Subject:** Revised licence fees-objection

**Importance:** High

I write to object to the proposed huge increase in Private Hire Operator Fees as advertised in the Witney Gazette of 21<sup>st</sup> February. This is a massive increase from £72 to £100 for a one year licence.

I would also propose that you should offer the option to have a tiered reduced rate for not just a five year licence but also those years in between. It is extremely difficult to commit to a licence for a 5 year period at such a huge outlay of £400. Please consider offering a reduced rate for a 2 year and 3 year licence as well?

Yours sincerely
