

**CABINET (EXECUTIVE) WORK PROGRAMME
INCORPORATING NOTICE OF DECISIONS PROPOSED TO BE TAKEN IN PRIVATE SESSION AND NOTICE
OF INTENTION TO MAKE A KEY DECISION**

July – October 2022

Published July 2022

By virtue of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, local authorities are required to publish a notice setting out the key executive decisions that will be taken at least 28 days before such decisions are to be taken. The Regulations also require notice to be given of any matter where it is proposed that the public will be excluded during consideration of the matter.

This Forward Plan incorporates both of these requirements. In the interests of transparency, it also aims to include details of those items to be debated by the Cabinet that relate to either policy/budget formulation, matters which will be subject to a recommendation to the Council, and other matters due to be considered by the Cabinet. This programme covers a period of four months, and will be updated on a monthly basis. The timings of items may be subject to change.

It should be noted that although a date not less than 28 clear days after the date of this notice is given in each case, it is possible that matters may be rescheduled to a date which is different from that given provided, in the cases of key decisions and matters to be considered in private, that the 28 day notice has been given. In this regard, please note that agendas and reports for meetings of the Cabinet are made available on the Council's website at www.westoxon.gov.uk/meetings five working days in advance of the meeting in question. Please also note that the agendas for meetings of the Cabinet will also incorporate a necessary further notice which is required to be given in relation to matters likely to be considered with the public excluded.

There are circumstances where a key decision can be taken, or a matter may be considered in private, even though the 28 clear days notice has not been given. If that happens, notice of the matter and the reasons will be published on the council's website, and available from the Council Offices, Woodgreen, Witney, Oxon, OX28 1NB.

Key Decisions

The Regulations define a key decision as an executive decision which is likely –

- (a) to result in the relevant local authority incurring expenditure which is, or the making of savings which are, significant having regard to the relevant local authority's budget for the service or function to which the decision relates; or*
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards in the area of the authority'.*

The Council has decided that a cost or saving of an amount greater than £50,000 is necessary to constitute expenditure or savings which are significant for the purposes of this definition.

Please note that if a matter is approved by the Council following a recommendation from the Cabinet, that decision will not be a key decision.

Matters To Be Considered in Private

The great majority of matters considered by the Council's Cabinet are considered in 'open session' when the public have the right to attend.

However, some matters are considered with the public excluded. The public may only be excluded if a resolution is passed to exclude them. The grounds for exclusion are limited to situations where confidential or exempt information may be disclosed to the public if present and, in most cases involving exempt information, where in all the circumstances of the case the public interest in maintaining the exemption outweighs the public interest in disclosing the information. The definitions of these are set out in the Council's Constitution.

Documents and Queries

Copies of, or extracts from, documents listed in the programme and any which subsequently become available are (subject to any prohibition or restriction on their disclosure), obtainable from the following, and this contact information may also be used for any queries.
