

WEST OXFORDSHIRE
DISTRICT COUNCIL

OVERVIEW AND SCRUTINY COMMITTEE WORK PROGRAMME 1 JUNE 2026 – 31 MAY 2027

Overview and Scrutiny Committee

The Council currently operates the Strong Leader and Executive form of governance. The Council has appointed one Overview and Scrutiny Committee which has the power to investigate Executive decisions and any other matters relevant to the district and its people, making recommendations to the Council, Executive or any other Committee or Sub-Committee of the Council.

Overview and Scrutiny Activities

The Committee may undertake its functions through the following types of activities:

- Holding the Executive to account as a critical friend
- Pre-decision scrutiny of Executive decisions before they are taken
- Considering any “call-in” of an Executive decision that has been made but not yet implemented
- Contributing to policy development
- Undertaking task and finish reviews to explore particular issues in depth
- Scrutiny of the Council’s annual budget proposals
- Performance review and monitoring
- Being a convener and engaging with external organisations
- Scrutiny of the Council’s crime and disorder functions

Work Plan

The Overview and Scrutiny Committee operates a work plan which is agreed annually but provides for flexibility to enable the Committee to respond to emerging issues or priorities. The work plan will include a mix of Executive reports that have been selected for pre-decision scrutiny, and reports on other Council services, topics or issues which have been specifically requested by the Overview and Scrutiny Committee. In setting and reviewing its work plan, the Committee will be mindful of the constraints of the organisation and may prioritise based on the following considerations (TOPIC criteria):

Timeliness: Is it timely to consider this issue?

Organisational priority: Is it a Council priority?

Public Interest: Is it of significant public interest?

Influence: Can Scrutiny have meaningful influence?

Cost: Does it involve a high level of expenditure, income or savings?

Principles of good scrutiny

The Centre for Governance and Scrutiny has developed four principles of good scrutiny which are reflected in statutory guidance:

- Provide constructive “critical friend” challenge
- Amplify the voices and concerns of the public
- Be led by independent people who take responsibility for their role
- Drive improvement in public services
