

Executive response to recommendations from the Overview and Scrutiny Committee on the Update on Budget 2025-26.

Context

The Committee reviewed the growth posts included in the Budget. Members suggested that the district would benefit from a second officer post focused on dealing with fly-tipping given the pressure on this service.

Recommendation	Agree (Y / N)	Comment	Responsible Executive Member	Lead Officer
That consideration is given to the case for creating a second Fly Tipping Officer (Environment Support Officer) post.	N	<p>The finance team discuss capacity and growth requests with the service areas during the budget setting process. No growth request was received for this post.</p> <p>The Executive agrees to keep recommendation under review and will give any future request from the service area due consideration.</p>	Councillor Alaric Smith, Executive Member for Finance	Madhu Richards, Director of Finance
