 - I.1.2 The relevant UK procurement rules and the National Procurement Policy Statement;
 - I.1.3 The Authority’s Constitution including these Contract Procedure Rules (‘Contract Rules’), the Authority’s Financial Procedure Rules and Scheme of Delegation;
 - I.1.4 The Authority’s strategic objectives, Council Plan, Procurement Strategy and relevant policies
- I.2 The policy of the Authority, and the objective of these Contract Rules, is to ensure that all works, supplies and services:
 - I.2.1 Are obtained with probity, and propriety to ensure the proper expenditure of public funds;
 - I.2.2 Are appropriate for the purpose for which they are obtained;
 - I.2.3 Deliver Value for Money;
 - I.2.4 Maximise public benefit while acting with integrity, fairness and equal treatment;
 - I.2.5 Sharing information for the purposes of allowing Suppliers and others to understand the Authority’s procurement policies and decisions;
 - I.2.6 Remove or reduce barriers for SMEs where possible

2 SCOPE

- 2.1 These Contract Rules apply to any arrangement made by, or on behalf of the Authority for the carrying out of works, the provision of services or the supply of supplies.
- 2.2 These Contract Rules do not apply to:
- 2.2.1 contracts of employment which make an individual a direct employee of the Authority;
 - 2.2.2 the acquisition, disposal or transfer of land (which must be carried out by an Officer with delegated authority) except where services or works are required by the Authority as part of the land transaction e.g. development agreements;

Any contracts or call-offs awarded following those procurements, even if commenced on or after 24 February 2025 will be subject to the 2015 Regulations throughout their term. New procurements will be governed by the requirements of the Procurement Act 2023 ("the 2023 Act").

SECTION 2: COMMON REQUIREMENTS

CALCULATION OF CONTRACT VALUES

- 3.1 Unless otherwise stated, the calculation of the estimated value of a procurement shall be based on the total amount payable in pounds sterling **inclusive of VAT**, as estimated by the Authority over the entire contract period, including any proposed extension to the initial contract period.
- 3.2 The Estimated Total Contract Value of a framework agreement or dynamic market shall be the total value of all of the call-off contracts that may be awarded under that framework Agreement or Dynamic Market.

- 3.3 The estimated value is to be calculated as at the date the contract is first advertised or Suppliers are contacted, whichever occurs first.
- 3.4 If the Authority is unable to estimate the value of a contract in accordance (for example because the duration of the contract is unknown), the Authority must treat the estimated value of the contract as an amount of more than the threshold amount for the type of contract being procured.
- 3.5 Contracts must not be artificially under or overestimated or divided into two separate contracts where the result is to avoid the application of these Contract Rules or the Legislation.
- 3.6 The estimated value of a concession contract is the maximum amount the Supplier could expect to receive under or in connection with the contract including, where applicable, amounts already received.

The amount a Supplier could expect to receive includes the following:

- 3.6.1 amounts representing revenue (whether monetary or non-monetary) receivable pursuant to the exploitation of the works or services to which the contract relates (whether from the Authority or otherwise);
- 3.6.2 the value of any goods, services or works provided by the Authority under the contract other than for payment;
- 3.6.3 amounts that would be receivable if an option in the contract to supply additional services or works were exercised;
- 3.6.4 amounts that would be receivable if an option in the contract to extend or renew the term of the contract were exercised;
- 3.6.5 amounts representing premiums, fees, commissions or interest that could be receivable under the contract;
- 3.6.6 amounts received on the sale of assets held by the supplier under the contract.

THRESHOLD VALUES

- 4.1 The UK Government biennially sets Threshold Values for the purposes of applying the Legislation. There are different Threshold Values for services and supplies, light touch services, works and concessions (services and works) contracts.
- 4.2 The Authority will take the Threshold into account when determining how to conduct a procurement.

SPEND CATEGORY DEFINITIONS

Above Threshold Procurements

7.2 The Authority will use only those procedures permitted under the Legislation. The procurement team will establish the appropriate route to market considering the value, risk and complexity of the contract and size of the market. This includes the use of Frameworks and Dynamic Markets which the Authority is eligible to access and where the procurement can be undertaken in accordance with the specific call-off process.

The 2023 Act/ the 2015 Regulations (where this still applies to legacy contracts) compliant procedures – include, but are not limited to:

- Open Procedure
- Competitive Flexible Procedure

7.3 Before carrying out a procurement process, Authorised Officers shall establish whether there is a suitable framework agreement, dynamic market or existing contract to which the Authority is a party that provides a mechanism for ordering goods, services and works and, if so, consider whether it's use is appropriate, legal and adheres to the principles of Best Value. Where there is no suitable framework agreement, dynamic market or existing contract the Authorised Officer must follow the relevant process identified below.

Disposal of Land	These Contract Rules apply where the Authority is disposing of or acquiring land and there is an element of services or works required by the Authority as part of the transfer (e.g. development agreements)

8.1 Subject to the written approvals referred to in Contract Rule 8.3 below, waivers of any of these Contract Rules shall only be given in the following exceptional circumstances: -

8.1.1 Where the supplies, works or services are of a unique or specialised nature or are identical or similar to or compatible with existing provision so as to render only one or two sources of supply appropriate, including:

- an upgrade
- where the contract concerns, wholly or mainly, repairs to or the supply of parts for existing proprietary machinery, plant or equipment and the repairs to or the supply of parts cannot be carried out practicably by alternative Suppliers;

- 8.1.7 The works to be executed or the supplies or materials to be purchased can only be carried out or supplied by a statutory body.
- 8.2 Exemptions to the application of these Contract Rules for above Threshold Contracts will only be considered where a Direct Award (as defined by the 2023 Act) is permitted under the Legislation and the specific circumstances under which the Direct Award can be undertaken are met.
- 8.3 Where it is possible to waive these Contract Rules, any such waiver must be agreed by:
- 8.3.1 Executive for contracts above £100,000 or the Head of Paid Service in consultation with the Leader of the Authority, the Section 151 Officer and the Head of Legal Services if the matter requires an urgent decision and a meeting of the Executive cannot be called: or
- 8.3.2 The Budget Holder (if authority to do so has been delegated to them in accordance with the protocol for sub delegation contained in Appendix D of the Constitution) or a Director, Chief Executive, in consultation with the Section 151 Officer and the Head of Legal Services if the contract does not exceed £100,000.

- 8.6 Contract terms approved or drafted by the Head of Legal Services must be used for contracts let using waivers and Direct Awards.

SECTION 3: PROCUREMENT PROCESS: PRE-PROCUREMENT ADVERTISING, EVALUATION AND AWARDING

PROCUREMENT PROCESS

- 9.1 The Authority's Tender templates will be used for all above Threshold procurements to ensure compliance with Legislation and consistency for Suppliers, other than where use of a Framework Agreement or Dynamic Market requires use of specific Tender documents.
- 9.2 The Authority's below Threshold templates will be used for below threshold procurements where it is appropriate to do so, subject to the nature and complexity of the Contract, to provide consistency for Suppliers.
- 9.3 The Tender/ Quotation documents must specify the requirement, award criteria, evaluation process, the clarification process and timescales for submission.

PRE-PROCUREMENT CONSIDERATIONS

- 10.1 Pre procurement considerations should follow internal guidance and templates.
- 10.2 For covered procurements:
 - 10.2.1 Pre-market engagement must be considered to help develop the requirements and process, with details published in the relevant transparency notices.
 - 10.2.2 The Authority has a duty to consider Lots and whether the goods, services or works to be supplied could reasonably be provided under more than one contract.
 - 10.2.3 If the Authority determines that Lots are not appropriate then you must provide reasons for not doing so in the tender notice.

10.2.4 Conflict of interest assessments must be undertaken for each procurement and regularly reviewed throughout the procurement and contract management process with details published in the relevant transparency notices.

SELECTION CRITERIA

Covered Procurement– Conditions of participation and Grounds for Exclusion

- 11.1 Conditions of participation are not mandatory for Covered procurements (covered procurements meaning the award, entry into and management of a public contract); however, where used, the Authority can confirm certain aspects of the supplier's suitability or ability to deliver the contract. Conditions of participation can include a suppliers legal and financial capacity, and technical ability to perform a contract.
- 11.2 The assessment 'gateway' for mandatory and discretionary exclusions (indicating excluded and excludable suppliers) must be adhered to including the use of the debarment list.
- 11.3 Regulated below threshold procurement cannot restrict the submission of tenders by reference to suppliers' selection criteria but the Authority may ask for this information and assess at award stage if it wishes.

AWARD CRITERIA

- 12.1 The evaluation criteria will be proportionate and applicable to the nature, value, level of risk and complexity of the Contract and cover both selection criteria (where applicable) and award criteria.
- 12.2 Award Criteria must be directly linked to the subject matter of the Contract and consider an assessment of quality, price and social value.
- 12.3 The Authority can take a broad view of what can be included in the evaluation methodology of tenders or quotes in assessing value for money. Internal policies such as carbon reduction, social value and supply chain security should be considered when agreeing award criteria, where relevant to the opportunity being tendered.

This means contracts do not have to be awarded on the basis of the lowest price or that price must always be weighted higher than quality. Contracts, as appropriate, and in accordance with Legislation and internal guidance may be made on the basis of

- price;
- quality, or
- best price-quality ratio

The most advantageous tender could be the lowest price if for example off the shelf goods are being procured.

ADVERTISING AND TRANSPARENCY NOTICES

- 13.1 Procurement must be carried out electronically through the e- procurement system where the Contract is above Threshold, including where competition is restricted (e.g. Framework further competitions and Dynamic Market call-offs).
- 13.2 Procurement must be carried out electronically through the e- procurement system where the Contract is below Threshold where the contract value is £30,000 or above unless otherwise permitted by these Contract Rules or by the Procurement Team and the Section 151 Officer.
- 13.3 All relevant 2023 Act transparency notices must be published as required during the process on Find a Tender service.

SUBMISSION AND OPENING OF TENDERS AND QUOTES

- 14.1 The manner and deadline for submissions will be set out in the Invitation to Tender or Request for Quote documents.
- 14.2 The Authority will only accept Tenders submitted in accordance with the Tender/ Quote requirements.
- 14.3 No Tenders or Quotes received after the specified date and time for receipt shall be accepted or considered by the Authority unless the Authorised Officer, after consulting with the Procurement Team the Section 151 Officer and the Head of Legal Services, is satisfied that there is sufficient evidence that technical difficulties with the e- procurement system prevented the Tender or Quote from being submitted before the closing time.
- 14.4 Where there are errors or discrepancies within a Supplier's Tender response the Authority will give the Supplier the opportunity to rectify the errors or discrepancies only if it is determined the Supplier will not gain an unfair advantage.
- 14.5 The Authority must follow key requirements when assessing public contracts following a competitive tendering procedure:
- If a supplier does not satisfy the conditions of participation, the Authority **must** disregard the tender
 - If a supplier is not a United Kingdom supplier or a treaty state ("as defined by the 2023 Act") supplier, or intends to subcontract the performance of all or part of the contract to a supplier that is not a United Kingdom supplier or treaty state supplier, the Authority **may** disregard their tender
 - If a supplier submits a tender which breaches a procedural requirement set out in the tender notice or associated tender documents, then the Authority **may** disregard their tender

- If a supplier submits what the Authority considers to be an abnormally low-priced tender the Authority **may** disregard their tender. Before disregarding, the Authority must notify the supplier and give it opportunity to demonstrate that it will be able to perform the contract for the price offered.
- must disregard any tender from a supplier that is an excluded supplier
- must consider whether a supplier is an excludable supplier and **may** disregard any tender from an excludable supplier.

EVALUATION

- 15.1 Tenders and Quotes shall be evaluated against the criteria set out in the Invitation to Tender or Request for Quote and in accordance with The Legislation (where applicable)
- 15.2 The criteria shall be strictly observed at all times throughout the contract award procedure by any Officer involved in the tender evaluation
- 15.3 Evaluations will be conducted by an appropriately skilled and experienced panel.

AWARDING CONTRACTS

- 16.1 All contracts shall be awarded based on the offer that represents the most advantageous tender ('the MAT'). The MAT or Quote is the one that the Authority considers
- Satisfies its requirements; and
 - Best satisfies the award criteria when assessed by reference to the evaluation methodology
- 16.2 When awarding any contract for goods, services or works whose aggregate value exceeds the relevant threshold prescribed under the Legislation, an Authorised Officer shall adhere to a minimum eight (8) day Standstill Period before entering such contract and follow the transparency notices required.
- 16.3 A contract may only be awarded by an Authorised Officer with the requisite delegated authority to award contracts. Prior to award, the Authorised Officer should ensure the Budget Holder responsible for the contract has sufficient funds in place to sustain the life of the contract i.e. full life cycle costing.

ASSESSMENT SUMMARIES

- 17.1 The Authorised Officer shall provide an Assessment Summary to each supplier that submitted an assessed tender as required by the Legislation for all covered procurements.
- 17.2 Assessment Summaries are not mandatory for below threshold procurements or call-off from frameworks (unless the framework terms set out a specific requirement to

do so). Although to ensure compliancy with the duty to have regard to the procurement objective of sharing information, it is deemed best practice to provide an assessment summary for all procurements.

- 18.2 All contracts not exceeding £50,000 that require execution shall be signed by the Head of Legal Services or any other Officer with delegated authority to do so, unless the Head of Legal Services requires the contract to be sealed

- 19.4 All contracts below £30,000 (incl VAT) shall be kept securely by the Budget Holder in accordance with Authority's retention policy and a copy to the Procurement Team.
- 19.5 Each quarter the Authorised Officer will publish details of payments over £30,000 made under a public contract i.e. contract payment notice as required by Legislation.

 - 21.1.2 contains a clause that caps the price the Authority must pay for supplies or services or there is a floor price on the price the Authority has to pay for supplies or services; or

FRAMEWORK AGREEMENTS, OPEN FRAMEWORK AGREEMENTS AND DYNAMIC MARKETS

- 22.1 External Framework Agreements, and Dynamic Markets, where the Authority is named as a permitted Contracting Authority, can be used where the Authority wishes to contract for the sourcing of supplies, services or works without conducting a full procurement exercise.

- 22.2 The Framework or Dynamic Market may include within its terms a requirement for abbreviated competitive exercise (“mini competition”) between some or all of Suppliers who are parties to the Framework Agreement and can provide the supplies/services/works being tendered. Other Framework Agreements may allow for a direct award or the choice of either direct award or mini competition. Any purchase from a Framework Agreement or Dynamic Market shall be made in accordance with procedure set out in the Framework Agreement or Dynamic Market.
- 22.3 The approval of the Procurement Team and Head of Legal Services shall be sought before signing up to new a Framework or Dynamic Market.
- 22.4 A Call-Off contract as set out in the Framework Agreement or Dynamic Market will need to be entered. If no pre agreed contract is provided for in the Framework Agreement or Dynamic Market, a contract drafted or approved by the Head of Legal Services, shall be entered.

- 25.3 Consultants may advise the Authorised Officer as to the most suitable candidate. The Authorised Officer can use the advice given by the Consultant to make their recommendation to the Awarding Officer.

- 25.4 No Consultant shall make the decision on whether to award a contract or to whom a contract should be awarded. The decision rests with the Awarding Officer who shall sign the Tender Acceptance Form or waiver.

CONTRACT MANAGEMENT

- 26.1 The contract manager will conduct regular reviews of the Supplier's performance against the requirements and key performance indicators specified in the Contract and monitor compliance against contractual obligations for the life of the Contract.
