## **I. BACKGROUND**

The Annual Opinion Report 2025/26, Annex 'A', provides the Head of Internal Audit's (SWAP Assistant Director) opinion, on the adequacy and effectiveness of internal control within West Oxfordshire District Council ('the Council'). The opinion is based on the adequacy of control, noted from a selection of risk-based audits carried out during the year, and other advice work on control systems including the proactive work of the service as it supports the control arrangements within change projects. The results of any external inspections also inform the opinion.

Throughout the year the Internal Audit service have measured the degree of control assurance within the systems, or elements of systems, audited or supported by way of control advice. Overall, the opinion is that a '**Reasonable**' assurance level can be given for the controls in place, within the areas where audit activity has taken place, to safeguard these systems which in turn support the delivery of the Council's overall business objectives. Although reasonable is the same assurance level as 2024/25, 2025/26's level is higher than 2024/25s.

Where operational control issues were raised in the audit reports, the risks associated with these, are being actively managed by Management.

The purpose of the Head of Internal Audit's Annual Opinion is to contribute to the assurances available to the Head of Paid Service and the Council which underpin the Council's own assessment of the effectiveness of the Council's system of internal control. This opinion is one component that the Council must take into account when completing its Annual Governance Statement which appears elsewhere on this agenda.

Officers from SWAP will be in attendance at the Committee meeting and will be available to address Members' questions.

## **2. MAIN POINTS**

Internal Audit work is completed to comply with the Global Internal Audit Standards plus the UK Sector Application Note and The CIPFA Code of Practice for the Governance of Internal Audit in UK Local Government.

The Head of Internal Audit is required to provide an annual opinion, based upon, and limited to, the work performed, on the overall adequacy and effectiveness of the organisation's control arrangements. This is achieved through a risk-based programme of activities, agreed with Management and approved by the Audit and Governance Committee, which should provide a level of assurance across a range of Council activities. The opinion

does not imply that the internal audit service has reviewed all risks and controls relating to the Council or the systems it reviews.

A number of audits have been completed since the last meeting of this Committee, and the reports are included at Annex B.

We continue to follow-up all agreed actions and a summary of the outstanding actions can be found at Annex C.
