## **1. BACKGROUND**

- 1.1. At the May meeting the Committee gave consideration to the development of its Work Programme for the year having regard to the changes to the approach to scrutiny work adopted by Council on 22 October 2008.

## **2. MAIN POINTS**

- 2.1. Members are asked to consider the work programme, along with the Cabinet work programme, and decide if there are any items that they wish to scrutinise in particular.
- 2.2. Once considered, the Committee can decide whether to submit formal comments or recommendations to the Cabinet as they see fit.
- 2.3. In addition to the items contained in the Work Programme there will still be the opportunity to bring forward one-off reports and papers on particular issues of interest to the Committee but it will also be necessary to maintain a general overview of the ways in which external agencies are responding to community concerns. The inclusion of a standing agenda item for Members' questions also provides the opportunity to raise relevant issues.
- 2.4. Local Lead Flood Authority – update  
Laurence King attended the December meeting and was hoping the expected Flood report would be completed for sharing in January 2022.

## **3. FINANCIAL IMPLICATIONS**

- 3.1. There are no financial implications arising directly from this report.

## **4. LEGAL IMPLICATIONS**

- 4.1. None

## **5. RISK ASSESSMENT**

- 5.1. Not applicable.

## **6. CLIMATE CHANGE IMPLICATIONS**

- 6.1. Whilst there may be climate change implications arising from specific items within the Work Programme, there are none arising directly from this report.
