I. BACKGROUND

1.1. At a Delegated Decision meeting on 11th April 2022, the portfolio holder for Customer Delivery approved the criteria and process for the Jubilee Fund scheme. The deadline for applications was Monday 25th April 2022.

1.2. The aim of the Jubilee Fund is :

- to fund events and activities which bring individuals together to celebrate the Queen's Platinum Jubilee and encourage strong links between members of the community.

1.3. The maximum grant award is £250. The method of application was simplified given the low value of award and to encourage applications. The process of assessment is in line with the Community Activity Grants scheme.

1.4. The Jubilee fund was promoted internally and via the Council's website, on social media and via a press release to all Town and Parish Councils.

2. MAIN POINTS

2.1. The Council received 26 applications for awards requesting in total £5,550. The applications were reviewed against the compliance checklist. Any outstanding information was requested from applicants. All eligible applications were scored using a scoring matrix.

2.2. Four applications lacked sufficient detail despite a follow up from the assessing officer. These have therefore been withdrawn. The remaining applications are listed as Annex A.

3. FINANCIAL IMPLICATIONS

3.1. The total budget available for the scheme is £5,000. If all applications are awarded in line with recommendations the total awarded will be £5,070.

4. LEGAL IMPLICATIONS

4.1. Applications were reviewed against the criteria to ensure a fair assessment. A deadline date and time by which applications should be received was published. Any applications arriving late have not been considered. Applicants will be expected to utilise funding for the purposes described in their application. If they deviate and fail to inform the Council then the Council reserves the right to claim the funding back.

5. RISK ASSESSMENT

5.1. These are small awards to mitigate any risk of having a light touch application process. We request that applicants risk assess their activity and pay particular attention to Safeguarding if their event involves children or vulnerable adults. We signpost applicants to the latest HSE guidance.

6. EQUALITIES IMPACT ASSESSMENT (IF REQUIRED)

6.1. The recommendation will have a positive effect on different groups.

7. CLIMATE CHANGE IMPLICATIONS (IF REQUIRED)

7.1. If awards are approved the Council will be supporting activity in a number of communities across West Oxfordshire. The scheme encourages collaboration to provide a very local opportunity which minimises need to travel.

8. ALTERNATIVE OPTIONS

8.1. The portfolio holder could decide to award at different levels to those listed in Annex A or not award at all. The portfolio holder could decide to award to those applications which arrived after the deadline.
