LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The Blind Tiger has extensive CCTV already installed within the premises, these will be positioned as to capture entrance/ exit, main bar areas and outside of the toilets. There will be a zero tolerance approach to drugs and we hope to join the local pub watch, the toilets will be designed in such a way as to reduce flat surfaces, with a regular cleaning schedule and recorded toilet checks. Staff training will be given to all staff members in conflict resolution and the common signs of drug use and dealing, so as to report this to management. Any suspected users will be removed by management or SIA approved door staff as quickly and calmly as possible. All incidents of this nature will be recorded within an incident log kept on the premises and reported to police as well as any other incidents including but not limited to: fighting or aggressive behavior, racism, accident or injury. A written dispersal policy will be in effect for the end of an evening, customers will be reminded to respect neighbors and keep noise down as they leave the premises both verbally by staff and signs at the entrance/ exit. There is one main entrance to the front of the premises with a further fire escape at the rear, both of these doors will be modified as to open outwards for fire safety, there is already smoke detectors throughout the building and alarm system. We wish to have a large volume of artificial plants these will all be coated in fire retardant if they are not already fire safe. Fire extinguishers will also be placed at the advice of a fire officer. Fire and Health and safety risk assessments will be carried out and hard copies kept in the building alongside any relevant CCTV registration documentation. We will offer all management first aid training and a personal license course within the first 6 months of their employment if they do not already possess these. During the provision of live music or recorded music after 11pm all windows and doors will be kept closed, a decibel reader will be on site where regular readings will be taken and kept in a log, stored on the premises and made available for review by the environmental health team within 24 hours of a request. Cigarette bins will be made available for smokers outside the premises, staff will diligently sweep and collect any rubbish at the end of an evening as to not pollute the high street with litter. The position of the premises is on the busy main high street within the market square, there is another licensed premises across the road, adjacent there is another commercial unit to be an estate agent as well as a restaurant chain, further along on both sides there are two licensed public houses as well as another licensed public house across the road, many other licensed premises are also situated in the immediate vicinity. There is a residential flat above the proposed premises however this will be taken on within the lease and occupied by individuals associated with the Blind Tiger as to reduce any public nuisance. There are residential flats to the rear of the building, we will insulate the back wall of the premises and as previously stated keep all windows and doors closed past 11pm and monitor noise levels diligently.

b) The prevention of crime and disorder

-CCTV with view of entrances and exits, outside of toilets and main public areas. CCTV data to be kept in line with ICO policy and stored in line with GDPR and made available upon request to police within 24 hours. There is always to be a minimum of one staff member who is competent in the operation of the CCTV.

Continued from previous page...

- Zero tolerance drug policy, with regular recorded toilet checks and cleaning schedule. Toilets are to be designed with minimal flat surfaces and intentionally small cubicals will prevent multiple parties using the same cubical at the same time.
- Staff training will be given in the signs of drug use as well as conflict management and resolution as well correct procedure in how and when to phone the police and to record incidents
- 1x member of SIA approved door staff on Thursday, Fridays and Saturday past 22:00 if we are to remain open past 00:00. They are to keep a detailed security log on the premises. As responsible operators we will always endeavor to increase security if necessary and commercially viable for example on bank holiday Sunday/mondays or special events.
- A written dispersal policy
- Incident log to be kept on the premises

c) Public safety

- All entrances/exit doors will be modified to opening outwards.
- CCTV
- Risk assessments are to be completed and updated regularly with hard copies kept on site.
- A written dispersal policy so as to get people away from the premises as safely as possible.
- Staff training in responsible bartending to be given
- The provision of free tap water
- First aid trained management team (to be completed within the first 6 months of their employment)
- Fire extinguishers
- Smoke detectors and alarm system
- Any materials or surfaces not currently fire retardant will be treated as to make them so

d) The prevention of public nuisance

- A decibel reader on the premises with a written log taken to be made available to environmental health within 24 hours of request.

- Back wall closest to residential flats will be sound insulated as to reduce noise pollution.

e) The protection of children from harm

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
