1. BACKGROUND

- 1.1. At the meetings of the Scrutiny Committees in May and June 2022 the committees gave consideration to the development of their work programmes for the year. These work programmes have been brought together in a single document to provide visibility of the work of Scrutiny across the three committees.

2. MAIN POINTS

- 2.1. Committees are asked to consider the work programme, along with the Cabinet work programme, and decide if there are any items that they wish to prioritise or deprioritise.
- 2.2. When an item is considered by a committee, the Committee can decide whether to submit recommendations to Cabinet.
- 2.3. The Scrutiny Work Programme is intended to provide clarity to the organisation and the public about the priorities of the committees and when different items will be considered but it does need to be a flexible document that enables Scrutiny to respond to new or emerging issues and priorities during the year. As such, committees will be able to review their work programme at each meeting, The inclusion of a standing agenda item for Members' questions also provides the opportunity to raise relevant issues.

3. FINANCIAL IMPLICATIONS

- 3.1. There are no financial implications arising directly from this report. Requests from Scrutiny for reports to be produced for consideration at meetings will place demands on officer capacity. Committees are urged to be mindful of the limitations of the organisation and to prioritise effectively, having regard to the advice of supporting officers.

4. LEGAL IMPLICATIONS

- 4.1. None

5. RISK ASSESSMENT

- 5.1. Not applicable.

6. CLIMATE CHANGE IMPLICATIONS

- 6.1. Whilst there may be climate change implications arising from specific items within the Work Programme, there are none arising directly from this report.

7. ALTERNATIVES/OPTIONS

- 7.1. In accordance with the Constitution of the Council, Committee has the power to investigate any matters it considers relevant to its work area, and to make recommendations to the Council, Cabinet or any other Committee or Sub-Committee of the Council as it sees fit.
- 7.2. The agreement of a Scrutiny Work Programme, which is regularly reviewed, is considered to be good governance practice and promotes openness and transparency.

8. BACKGROUND PAPERS

- 8.1. None.

<p>Windrush Leisure Centre. Hoist equipment out of use / changing bed broken</p> <p>2. After having meetings with them previously it was agreed that communication would be better and if equipment was out of use we would be informed so as not to disappoint service users on arrival at the centre.</p> <p>3. Also regarding the new system of booking on line - this is not accessible to all and needs to be looked at again.</p> <p>4. It would be helpful to have a status update on the Carterton football playing fields which have been out of action for a while.</p> <p>5. What is the trend on visitor numbers?</p> <p>6. Is there information on how visitors travel to the leisure centres, and whether this could be made easier?</p> <p>7.
