BUILDING CONTROL – GENERAL NOTES

THE BUILDING ACT 1984 : THE BUILDING REGULATIONS 2010 (As amended)

The building owner or agent must make a building regulations application and pay a fee for the construction of new works. All work must comply with the 2010 Building Regulations (as amended).

The person carrying out the building works is to liaise with and meet the requirements of the Local Authority Building Control and give the required notice for certain key stages of works as detailed in the guidance below.

The charges set out on the following pages have been set in accordance with the Building (Local Authority Charges) Regulations 2010. The tables give the charges for various categories of work.

Full Plans Applications Charges

The 'charges' shown in the following tables relate to Full Plans Applications. For the definition and details of Full Plans Applications please visit the respective Council's website.

Building Notice Applications Charges

Where building work is of a relatively minor nature, the Building Notice charge is the same for the Full Plans Application charge except for Cotswold District Council where the Building Notice charge is as shown on the relevant Tables.

For the definition and details of Building Notice Applications please visit the respective Council's website.

A Building Notice Application will not, in the majority of situations, be accepted for new dwellings. It is also likely that new dwellings may potentially attract additional charges depending on what level of design input has been achieved by the applicant.

Regularisation Applications (Retrospective Works) Charges

The charge required when depositing an application for regularisation (or reversion) is 100% of the appropriate charge as listed in the following tables **excluding VAT**, with an additional 50% premium added to it. This type of application is exempt from VAT.

For the definition and details of Regularisation Applications please visit the respective Council's website.

Works to provide access and facilities for disabled persons

Charges are not payable when the proposed work is to provide access and facilities in an existing dwelling or an extension to store equipment or provide medical treatment for a disabled person. In order to claim exemption, the appropriate evidence as to the relevance of the adaptation for the person's disability must accompany the application.
