This MoU also sets out commitments made in respect of existing joint programmes of work overseen by the Future Oxfordshire Partnership, and incorporates material elements of the formerly established Memorandum of Information Disclosure, which will cease in effect from the date of the signing of this document.

FOI/EIR PROTOCOL – INFORMATION REQUESTS RELATING TO THE FUTURE OXFORDSHIRE PARTNERSHIP

This process has been agreed by Oxfordshire's Monitoring Officers and the Future Oxfordshire Partnership managers. It provides a means of handling Freedom of Information and Environmental Information requests regarding the work of the Future Oxfordshire Partnership. Each member authority of the Future Oxfordshire Partnership and the Future Oxfordshire Partnership's officers themselves may be recipients of information requests.

This outline provides a legally compliant means of dealing with such requests while providing a degree of mutual consultation whilst also ensuring the identity of requesters is not disclosed to other members of the Future Oxfordshire Partnership. **Each authority will be responsible for responding to requests submitted to it. Authorities should not simply redirect requesters 'to the Future Oxfordshire Partnership'** but should answer the request on the basis of any information held by the receiving authority in relation to it.

Freedom of Information Teams should adopt the following principles and process:

1. Each of the county's principal councils, and the Future Oxfordshire Partnership, are **separate FOI authorities** in their own right. Requesters may therefore submit requests from time to time to any or all of the bodies, about the Future Oxfordshire Partnership partnership's work.
2. Should there be such an FOI or EIR request in relation to the Future Oxfordshire Partnership's work received by any of the authorities, then the **receiving body's FOI Team will notify each of the other bodies' FOI Teams**: for the purpose of consulting them about how the receiving authority intends to respond.
3. The original receiving body will **consider all representations** (which shall also be made at the earliest opportunity) received in discharging its statutory obligations. The requester's **name will not be disclosed** to the other authorities.

4. In the event of a disclosure of information in response to a request under the Environmental Information Regulations or the Freedom of Information Act, the **disclosing body shall notify all other Councils immediately** and shall provide an explanation of its decision-making process on request.
5. A similar process will then be followed if an Internal Review request is received; or an Information Commissioner referral.
6. This process is on the basis that, while each authority is an FOI authority in its own right, **consultation between authorities** on a proposed response does not breach that principle.
7. If all authorities receive the same request, then each must respond to it at its own relevant level of management. **Achieving a 'consistent' response can not be the primary aim.** While approaches can be discussed, it will be for each authority to 'sign off' its own responses. This will also be important if a request is referred to the Commissioner, who would be likely to ask how each authority addressed the response.
8. It should be borne in mind that **a requester can also ask for the 'metadata'** to any request, which would bring into frame any information shared between authorities in the consideration of a response.

NB The County Council will be acting as FOI advisers to the Future Oxfordshire Partnership.
