**LICENSING OBJECTIVES**

Describe the steps you intend to take to promote the four licensing objectives:

**Continued from previous page...**

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The Wilderness Festival has previously been authorised and successfully held under Premises Licences W/18/01320/PRMA and W/21/00551/PRMDPS between 1 July 2019 and 31 August 2023 (excluding lockdown).

The purpose of this application is to secure a Premises Licence not limited in time, to authorise the Festival for future years.

The capacity remains the same namely, 29,999 ticket holders, performers, guests, staff and contractors.

The number of days of the Festival – Thursday to Monday – remains the same.

The hours of regulated entertainment remain the same save that:

1. It is proposed that amplified music may be provided until midnight 00:00 on the Thursday of the Festival.
2. The terminal hour on Friday and Saturday will be reduced to 03:00.

The timings for the sale of alcohol have been reduced.

The opening and closing hours of the site have been made clearer with provision to receive early arrivals on site to prevent traffic issues and later closing of the site as a contingency for Force Majeure.

The Licensing Objectives will be promoted by incorporating the Conditions of the previous Licences (quoted above) within a new Licence subject to some clarifications. The proposed Conditions are included in the attached schedule with our proposed changes highlighted in red.

Condition 3 of the proposed Conditions (which is unchanged) is fundamental to the promotion of the Licensing Objectives. Each year the Safety Advisory Group issues written Requirements which the Premises Licence Holder must comply with. By way of an example, a copy of the Requirements for the 2023 Festival, which runs to 27 pages, is attached. This process ensures that the planning for each Festival is an annual process which will enable any new challenges to be addressed through the planning process and compliance with the Safety Advisory Group Requirements.

In addition, Condition 5 (which is unchanged) obliges a Premises Licence Holder to notify the Licensing Authority of the proposed measures that will be taken to reduce the impact of activities upon the Licensing Objective at least 2 months in advance of the proposed Festival. This will ensure that the planning process has proceeded satisfactorily.

b) The prevention of crime and disorder

See above.

c) Public safety

See above.

d) The prevention of public nuisance

See above.

e) The protection of children from harm

See above.

## Section 19 of 21

### NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

#### **Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

**Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
