

WEST OXFORDSHIRE  
DISTRICT COUNCIL

EXECUTIVE WORK PROGRAMME  
INCORPORATING NOTICE OF DECISIONS PROPOSED TO BE TAKEN IN PRIVATE  
SESSION AND NOTICE OF INTENTION TO MAKE A KEY DECISION  
1 JULY 2026 – 31 OCTOBER 2026

By virtue of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, local authorities are required to publish a notice setting out the key executive decisions that will be taken at least 28 days before such decisions are to be taken. The Regulations also require notice to be given of the intention to exclude the press and public for part of a meeting.

This Forward Plan incorporates both of these requirements. In the interests of transparency, it also aims to include details of those items to be debated by the Executive that relate to either policy/budget formulation, matters which will be subject to a recommendation to the Council, and other matters due to be considered by the Executive. This programme covers a period of four months, and will be updated on a monthly basis. The timings of items may be subject to change.

It is possible that matters may be rescheduled to a date which is different from that given on the Forward Plan. This may be the case for key decisions and the intention to hold a private meeting. In this regard, please note that agendas and reports for meetings of the Executive are made available on the Council's website at [www.westoxon.gov.uk/meetings](http://www.westoxon.gov.uk/meetings) five working days in advance of the meeting in question. Please also note that the agendas for meetings of the Executive will also incorporate a necessary further notice which is required to be given in relation to matters likely to be considered with the public excluded. There are circumstances where a key decision can be taken, or parts of the meeting may be held in private, even though the 28 clear days' notice has not been given. If that happens, notice of the matter and the reasons will be published on the council's website, and available from the Council Offices, Woodgreen, Witney, Oxfordshire OX28 1NB.

### Key Decisions

The Regulations define a key decision as an executive decision which is likely –

- (a) to result in the relevant local authority incurring expenditure which is, or the making of savings which are, significant having regard to the relevant local authority's budget for the service or function to which the decision relates; or*
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards in the area of the authority".*

The Council has decided that a cost or saving of an amount greater than £150,000 is necessary to constitute expenditure or savings which are significant for the purposes of this definition.

Please note that if a matter is approved by the Council following a recommendation from the Executive, that decision will not be a key decision.

**Matters To Be Considered in Private**

The great majority of matters considered by the Council's Executive are considered in 'open session' when the public have the right to attend.

However, some matters are considered with the public excluded. The public may only be excluded if a resolution is passed to exclude them. The grounds for exclusion are limited to situations where confidential or exempt information may be disclosed to the public if present and, in most cases involving exempt information, where in all the circumstances of the case the public interest in maintaining the exemption outweighs the public interest in disclosing the information. The definitions of these are set out in the Council's Constitution.

**Documents and Queries**

Copies of, or extracts from, documents listed in the programme and any which subsequently become available are (subject to any prohibition or restriction on their disclosure), obtainable from the following, and this contact information may also be used for any queries.
