VARIATION

Continued from previous page...

Do you want the proposed variation to have effect as soon as possible?

☒ Yes ☐ No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

☐ Yes ☒ No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

This application seeks to vary the premises licence to permit staff to take food and drink orders from customers seated in the garden and courtyard areas. The purpose of this variation is to enhance customer service and improve the overall customer experience by enabling table service in these external areas. Staff will take orders directly from customers, reducing the need for customers to leave their tables and queue inside the premises. This change will allow the premises to operate more efficiently while maintaining responsible management of the outdoor areas. All alcohol sales will continue to be made in accordance with the Licensing Act 2003 and the conditions attached to the premises licence. Staff will remain trained in responsible alcohol retailing, age verification, and the prevention of crime and disorder. The proposed variation is not intended to increase the capacity of the premises or extend the licensed hours. It is solely to facilitate improved customer service by allowing orders to be taken and served to customers using the garden and courtyard seating areas.

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

This variation is sought solely to improve customer service by allowing staff to take orders directly from customers seated in the garden and courtyard. The increased staff presence in these areas will also strengthen supervision, complement the existing CCTV coverage, enhance security, and further promote the licensing objective

b) The prevention of crime and disorder

The proposed variation will result in staff being regularly present in the garden and courtyard throughout trading hours. This continuous staff presence will provide additional supervision of customers, enabling any issues to be identified and addressed promptly. The presence of staff, alongside the existing CCTV system, will enhance security by providing additional oversight and acting as a visible deterrent to crime and disorder. All staff are trained in the responsible sale of alcohol, including age verification and the refusal of service where appropriate

c) Public safety

Table service within the garden and courtyard will reduce customer movement between the external areas and the bar, helping to minimise congestion and improve the safe management of the premises. Staff will continue to monitor the outdoor areas to ensure they remain safe and well managed.

d) The prevention of public nuisance

The variation will not increase the number of customers using the outdoor areas or extend the permitted operating hours. Staff presence in the garden and courtyard will enable more effective supervision of customers, helping to manage noise levels and ensure that patrons leave the premises in a considerate manner.

e) The protection of children from harm

Existing age verification procedures, including the Challenge 25 policy, will remain in place. Staff taking orders and serving alcohol in the outdoor areas will continue to follow all licensing requirements to prevent underage sale
